Dated 21st July, 1928

My dear Mr Ramachandra Rao

Government having recognised the title of the Sringeri Mutt to a moiety of the entire collections of the Sringeri Municipality in their order No 13801-4/51-92 dated 13-2-1893 the Mutt was in unquestioned enjoyment of the revenue till the year 1917 when the Local Self Government scheme was ordered to be brought into force in the State Close on the heels of the scheme the question of constituting Sringeri Town into a Regulation Municipality was raised in which connection the Jahgirdar was asked if he was agreeable to forego his moiety of Municipal income In reply the Jahgirdar wrote that he would not bring himself to waive his right long enjoyed basing his claim on well-founded reasons The subject was long pending disposal The Government in their Order No L 6825-7/M1 60-25-19 dated Bangalore the 28th April 1928 have now issued final orders directing that Sringeri be constituted a Minor Municipality under the Regulation and that the entire revenue derived from Municiapl Taxes be devoted for Municipal purposes thereby depriving the Jahgirdar of his portion of the Municipal income uninterruptedly enjoyed so far

2 In connection with this subject I took an opportunity to wait upon the Dewan Sahib at Bangalore on the 20th June, 1928 and represented the Jahgirdar's case While he admitting that ----- Sringeri belonged to the Jahgirdar and appreciating the generous impulse which prompted him to devote the entire moiety and even more for public purposes observed that the recent order as passed did not in any way affect the Jahgirdar's status and previleges nor

NOTE—Contn Sheet

WD 01714—GPB—30 000—18-4 28

nor was there any loss to him from a financial point of view

3 Should Government hold such a view I added it behoved them to see that the expenditure so far being met from the Mutt from year to year for improving the Sanitation and other urban amenities of the Town be kept up at the entire cost of the --- Municipality itself not excluding the maintenance of the Local Fund Dispensary in the Town ¼ cost of which is now being met from Jahgir Funds under an Agreement executed by the Jahgirdar and that the said agreement be got cancelled The Dewan Sahib seemed to fall in with my view of the question and asked me to send up a representation in the matter

4 On my arrival here I submitted to His Holiness Sri Swamigalavaru all that passed between myself and the Dewan Sahib in the course of our interview when he took the recent order as affecting his rights and asked me to address the Dewan Sahib in the matter requesting him to treat this question as a special case and on re-consideration of all the aspects, help to revise the orders of Government under reference so as not to prove derogatory to his vested rights and status

5 The subject having been fully dealt with officially in a long and protracted correspondence I feel it a delicate task to tread upon the same ground once again and hence this communication which I request you will kindly place at a favourable opportunity before the Dewan Sahib who I am sure will not fail to enter into the feelings of His Holiness and pass favourable orders

Yours sincerely

9) The original file L Fr 51-92 relating to the establishment of a Dispensary at Srungen is not traceable from G O No 4029-31 L Fr 51-92 of 22-9-96 it is seen that the cost of the establishment of the Dispensary at Srungen is borne by the Srungen Math and the Kaaur Dd Bd in the proportion of $\frac{3}{4}$ $\frac{1}{4}$ and the reason why the Jaghir should contribute for certain medical charges is stated to be due to the fact that the Math enjoys the Local Fund revenue of the Jaghir.

10) The cost of the Local Fund Dispensary not chargeable to the State is at present about Rs 1085 according to the details furnished in the D Fr Budget for 1928-29 and noted below —

	Rs
Charge allowance to Medical officer	240
T A to Dd	60

11) If the contributions are fixed in accordance with the general principle laid down in the chief comm's progs of Oct 1875, the Surgeon Asst concerned will have to pay Rs 360 monthly and the Dt Bd will have to bear Rs 720 against Rs 270 according to the existing arrangement The main point for consideration is whether there are sufficient reasons for throwing additional charges on the Asst concerned and the Dt Bd In order to arrive at a decision on the matter it appears necessary

(a) to call for a copy of the Govt order Sanctioning the establishment of the Dispensary to see what exactly is the liability of the Jaghir ~~&~~ in this matter

(b) to examine whether the income from local cess in the Jaghir is being fully spent and for what purposes

13 It seems that as long as the Mutt enjoys the Local Fund Revenue, it should bear the loss in contributing with a Municipality, say 1/3rd of the charges of the Dispensary at Sringeri other than the charges for the pay of the Asst Surgeon & Supply Medicines and the Chief Clerk should hereafter meet 1/3rd of the charges.

14 Three points are urged in the Agent's letter (1) Reconsideration of the order directing that the entire revenue derived from Municipal taxes in Sringeri be devoted to municipal purposes (2) the entire expenditure on "improving the sanitation and other urban amenities of the town" be met from the funds of the Municipality and that the Mutt be not required to contribute anything for these purposes and (3) the Mutt may be relieved of the 3/4ths ~~of the~~ cost of maintaining the Dispensary at Sringeri which it is now required to pay

15 It is not possible to modify the orders already passed in respect of No (1) The consideration of points Nos (2) and (3) is likely to require some time In these circumstances

a reply may be sent to the Agent acknowledging the receipt of his letter expressing regret that it is not possible to modify the G O dated 28th April 1928 and stating that the other representations are under examination This reply may be issued with the approval of the Second Member as it relates to a municipal matter

16 The Agent states that there is an agreement under which the Mutt is paying 3/4ths of the cost of the Dispensary It has not been possible to obtain the connected references from the Secretariat records A copy of this agreement may be obtained from the Agent

17 The usual arrangement of requiring the District Board to bear 2/3rds of the cost of this Dispensary is not possible in this case as the Mutt takes the local cess of the Jagir and not the Board It may not be possible to induce the District Board to bear a larger share than 1/4th which it is now contributing towards the expenses of the Dispensary The Municipality should of course bear its share of 1/3rd If the shares of the Board and the Municipality are to be 1/4th and 1/3rd respectively the Mutt should bear the balance of 5/12ths Five-twelveths is an inconveneient fraction and if the

the District Board agrees its share may be raised to 1/3rd and that of the Mutt also ~~placed~~ fixed at 1/3rd This will mean a uniform arrangement of one-third share being contributed by all the parties As the Mutt takes the local cess it is only fair that it should contribute towards the expenses of the Dispensary What the shares of the three Bodies should be may be decided after we receive a copy of the agreement and see on what considerations the relative liabilities of the District Board and the Mutt were fixed in it The analogy of what obtains in the case of the Dispensary at Yelandur will also have to be considered in this connection

18 Although the town has been made into an ordinary municipality the concern of the Mutt in its maintenance in a condition conducive to the health of the temple servants residing there and of the pilgrims going there cannot be considered as being less than before in any respect It will be in the interests of the Mutt itself to co-operate with the Municipality and also to contribute to its funds with a view to maintain the existing public conveniences and amenities and also add to them

should bear the charge. For this order it has not been made specific that the Dt Bd should bear a definite proportion of the cost of maintenance of the Dispensary. Under the Standing orders the Dt Bd has to bear 2/3rds of the maintenance charges and the Govt of Bengal the remaining 1/3rd, the State bearing the entire pay of the medical officer and the cost of European medicines. The Govt cannot thus afford to pay its proportion. The Dt Bd also has to pay the usual 2/3rds cost of maintenance under the standing orders.

Letter No C 183, dated Camp Haribar 8/9-11-11, from the Senior Surgeon in Mysore, Bangalore, to the Secretary to the Government of H H the Maharaja of Mysore, Genl & Rev Departments, Bangalore

---

In reply to your No 1439/Medl 40-11-2 dated the 16th August 1911 and subsequent reminder, I have the honor to report that no record is forthcoming in the Senior Surgeon's Office indicating the number and date of the Government Order or other "authority" under which an hospital assistan was lent in the first instance to the Yelandur Jahgir

The reference made to the X Jahgirdar to kindly intimate the Government Order or authority, has not elicited and reply A reminder has been sent but I do not expect the reminder will receive any greater consideration than the original reference

The new Hospital Assistant appointed x by the Jahgirdar was a private individual (one V R Kathiravelu Moodr , a retired 1st class Hospital Assistant of our Service) He is now reported to have died and the Jahgirdar has asked me to try and procure a retired man for the Jahgir

There was great difficulty in getting certain returns from the Jahgir and delay in the submission of the needful x returns has become a normal affair, because the Hospital Assistant had orders not to send any returns or have any communication with his official superiors except through the Jahgirdar or rather that he (the Hospital Assistant) should address only the Xx Jahgirdar on all matters connected with the Dispensary and not his official superiors

I am personally aware of the Dispensary having been allowed to remain without the supply of most ordinary medicines for months together

I do not think that any indent for European Medicines &c , has been sent since October 1909, when Dr Purnaiya promised to send an indent to England for the supply of the needful medicines about which the Dispensary had been suffering for months previous

tion that the Mysore Government should leave

merely alone and that no officer

3

officer should be lent to it from our service or demand any retur or reports therefrom In a word, we should, for all practical pruposes think and act as if there was no such dispensary in exi tence as the Yelandur Jahgir Dispensary

Sir,

With reference to G O No L 6825-7 Ml 60-25-19 dated 28-4-1928, directing that Sringeri be constituted a minor municipality and that the entire revenue derived from municipal taxes be devoted for municipal purposes, the Agent of the Sringeri Mutt has represented to Govt that in consideration of the loss of the revenue to the Mutt, it should be relieved of the expenditure on account of the L F Dispensary at Sringeri Under the existing arrangement, the Mutt has agreed to bear ½ of the initial and annual maintenance charges and the contribution received from the Mutt every year is credited to the District Funds The contribution of the Mutt for the dispensary for the year 1928-29 is said to amount to Rs 875 and the total cost to the District Board on account of the Dispensary is said to amount to Rs 1085, excluding the charges borne by Govt as required under the standing orders Government have considered the matter and are of opinion that it would be fair if the cost of the Dispensary is divided equally between the District Board, the Mutt and the Municipality I am therefore directed to request you to be so good as to favour

Government with the views of the District Board of Kadur and the Sringeri Municipal Council in regard to the payment by each of them of one third of the cost of the above Dispensary, excluding the share to be borne by Government The Agent of the Mutt may also be consulted in the matter and the result reported to Government likewise

Copy of letter No 367 dated the 19th December 1928, from the [illegible] Agent, Sringeri utt, to the Deputy Commissioner, Kadur District

---

With reference to your memo No A3 2991-27 dated the 23rd November 1928, I have the honour to state that the proposals contained in the General Secretary's letter No L 3709- 1 132-28-5 dated 21st idem, leaves out of consideration the points urged on behalf of the Jahagir and the proposals mentioned therein are not fair to the Jagir

Since the establishment of the Sringeri Municipality, Government have recognised the Jahagirdar's right to Octroi and Mohatarfa and ordered that the realisations under all heads should be divided between the utt and the Municipality, and this order has been in force all up to date

In 1893 when the question of establishing an L F Dispensary at Sringeri was taken up, the Government proposed that if the Jahagirdar forfeited his right to Municipal revenues, an L F Dispensary would be established out of the Municipal Funds The Jahagirdar then informed the Government that he would not forfeit his rights to Municipal reve in any circumstances and that if necessary, he would bear the cost of the maintenance of the Dispensary Admitting the fairness of the contention, Government conceded the Jahagirdar's rights and decided that ½ cost of the maintenance of the local Dispensary may be paid by the Jahagirdar, the balance being met by the District Board as the needs a number of Government villages of the Koppa Taluk are being served b the Dispensary

Now, in constituting Sringeri into a Regulation Municipality, the Government have ignored the expressly recognised and long enjoyed ri of the Jahagirdar and deprived him of the income in this behalf In these circumstances, I am of opinion, owing to the rights of the Jag -dar being abrogated and his income taken away, it is only fair that the Municipality which stands to benifit by the augmentation of its income, should be made liable for the maintenance of the Dispensary Further, at the present time, in view of His Holiness' illness, I am

regret I am unable to give any defenite reply to the terms proposed
